Palliative Care Education, Practice, and Research:
Preparing Doctoral Students to Meet the Complex Needs of the Nation’s Seriously Ill

January 18, 2017
University of San Diego Hahn School of Nursing and Health Science
Beyster Institute for Nursing Research
Kaye M. Woltman and Melisa R. McGuire Palliative Care Education and Research Unit
San Diego, CA

The University of San Diego Hahn School of Nursing and Health Science: Beyster Institute for Nursing Research, is pleased to partner with the American Association of Colleges of Nursing (AACN) and the End-of-Life Nursing Education Consortium (ELNEC) for an exciting pre-conference to the AACN Doctoral Education Conference, scheduled January 19-21, 2017 in San Diego. Preparing nursing faculty and nurse researchers with expertise in palliative care is more critical today than ever before. This daylong, pre-conference on the beautiful USD campus will provide an overview of the state-of-the-science in palliative care, how it is being taught in doctoral programs, and strategies for community outreach.

Betty Ferrell, Ph.D., M.A., F.A.A.N., F.P.C.N., is scheduled to give the keynote address for this important conference. Dr. Ferrell is an internationally known researcher, author, and clinician, frequently recognized for her outstanding contribution to palliative and end-of-life care. Dr. Ferrell is currently Director and Professor, Nursing Research, Associate Director, Cancer Center, City of Hope National Medical Center. She is the principal investigator of numerous research projects to develop and fund continuing ELNEC projects and the author of over 400 published articles. Her most recent co-authored books include the following:
