

A GUIDE TO OUTSIDE SCHOLARSHIP RESOURCES FOR INTERNATIONAL STUDENTS

Many organizations and foundations offer scholarship assistance to students however many are limited to U.S citizens. When outside scholarship programs send information to the USD Office of Financial Aid, the opportunities are posted on the [USD Financial Aid Web Site under Scholarships](#). We always note if a scholarship has a U.S citizenship component to it or not. We encourage all students to check our website on a regular basis. Please explore the links before for search engines and outside scholarship listings:
