

2021-2022 Private Loan Instructions & Loan Request Form

This form is not used to decline an award. To decline an offered loan award, log onto your MySanDiego portal.

Step 1: Application Process for all student borrowers requesting a private loan

- All student borrowers will have a credit review completed by their lender. You have the option to select the lender you would like to use. If your application is denied, you may be able to apply with a creditworthy co-signer.
 - There is a federal 10 day right to rescind the loan, which can cause delay in the release of the loan funds, so apply early.
- Go to the FastChoice website – <https://choice.fastproducts.org/FastChoice/Welcome.do?configId=1298396473939>. A list of lenders is provided along with their website link to review their benefits, terms and conditions of their private loan option(s). **Before selecting a lender, be certain that you are eligible for the loan.** After selecting a lender, click on “Apply” next to loan. **Apply with ONLY one lender.** *If you have previously borrowed, contact your lender directly to apply.*
 - The lender will instruct how to apply for your private (non-federal) loan and will complete an instant credit check, regardless of whether you have previously borrowed.
 - Request a loan amount and apply for the full amount needed for the **entire academic year** (both Fall **and** Spring semesters) **or** for a **specific term** (i.e. Intersession or Summer). The school certified amount cannot exceed the cost of attendance.
 - Apply with the correct **school code – 010395-00**, so your lender can forward a Certification Request to the USD Office of Financial Aid. Once you sign loan disclosure forms, your lender will notify you when the funds will disburse to the school.
