

## COVID-19 HOUSING SUPPLEMENTAL POLICY FOR 20/21,

It is important that you understand, now and as we go forward, that all students living and studying on-campus, and the faculty and staff working to support your education, will continue to be functioning in the context of a worldwide pandemic. Every one of us has a direct and powerful effect on those around us -- on campus, in our homes and residences, in California, and wherever we reside.

USD is committed to the health and well-being of our students, employees, and community neighbors, as well as to the safety of our campus. Our ability to offer on-campus enrollment at all this year is premised upon mutual accountability owed by each of us to act in a manner that reflects the importance of adherence to health and safety standards to limit the spread of COVID-19.

If you are permitted to return to campus during the 20/21 academic year, whether to live on-campus or **off campus** at Pacific Ridge or Loma Palisades, you will be required to acknowledge your understanding and agree to the 2020/2021 Supplemental Housing Policy.
