The above "Distribution Numbers" are designated for the various areas & ways that we provide information to Resident Students. You have been approved for RA Distribution (basically, one flyer posted in each RA area & one for each RA, for their records). For ease of distribution please follow the below directions and contact Irene Bubnack @ 619.260.7944 with any questions.

- 1) Please forward this sheet/file with the highlighted RA distribution numbers for the hall(s). Please ask that the print shop divide and label your flyers by area names in numbers that correlate to each area.
- 2) These can be directly sent to our Mission Crossroad office and once received, will be put in the box of the appropriate CD's, to distribute to their RA/areas.
- 3) If you would like your item to be posted more widely, you will need to get further approval from Assistant Dean for Res. Life, Dayanne Izmirian.
- 4) You may contact Irene Bubnack in Residential Life and she can facilitate the approval process for wider distribution.
- 6) Please note: to display flyer on our Alcala Vista's & Mission Crossroad's display boards, please forward a high res. pdf (300dpi) to ibubnack@sandiego.edu
