

Externship Opportunity

Tax Appeals Assistance Program
State Franchise and Income Tax

Law students can develop and gain practical skills in:

- Working in a lawyering role serving as representative, advisor, and client advocate.
- Conducting legal research and writing.
- Negotiating with Franchise Tax Board (FTB) on behalf of your clients.
- Applying tax and administrative law in a litigation setting.
- Representing clients in conferences and oral hearings (similar to court trials) before Office of Tax Appeals administrative law judges.
- Applying ethical standards in the practice of law.
- Applying legal theory and principles to actual legal problems and controversies.

APPLY NOW! No previous tax experience is required.

The Tax Appeals Assistance Program (TAAP) is administered by Taxpayers' Rights Advocate's Office at FTB. Under the guidance of a supervising attorney, you will gain valuable hands-on experience representing clients in a litigation setting. This is a wonderful opportunity to build your resume and professional network. Opportunities are available for the spring, summer, and fall semesters.

For more information, contact:

Jenny Vu, TAAP Coordinator at
